EL14-010

On January 21, 2014, the South Dakota Public Utilities Commission (Commission) received a filing from the Commission's staff (Staff) regarding an electric service territory boundary agreement between NorthWestern Corporation dba NorthWestern Energy (NorthWestern) and Codington-Clark Electric Cooperative, Inc. (Codington-Clark Electric). This filing is made pursuant to current efforts of the PUC to verify electric territory mapping data for conversion to electronic format and use in a Geographic Information System (GIS) database. With the assistance of the above-referenced utilities, Commission Staff has confirmed the service territory boundary shared by these utilities and has prepared updated mapping information. Commission Staff asks for approval of the agreement to update official mapping data to properly reflect the service territory boundaries shared by the utilities in this docket.

On January 23, 2014, the Commission electronically transmitted notice of the filing and the intervention deadline of February 7, 2014, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv. No petitions to intervene or comments were filed. On April 9, 2014, Staff filed a revised Exhibit A to the agreement. The Commission has jurisdiction over this matter pursuant to SDCL 49-34A, specifically, 49-34A-42, 49-34A-43 and 49-34A-55.

At its regularly scheduled meeting on April 15, 2014, the Commission considered this matter. Commission Staff requested approval of the agreement in order to update official electric service territory mapping data to accurately reflect current service territories served by the utilities. The Commission voted unanimously to approve the agreement. It is therefore

ORDERED, that the request for approval of the agreement to update mapping data to reflect current electric service territory boundaries shared by NorthWestern and Codington-Clark Electric is hereby granted.

Dated at Pierre, South Dakota, this 17th day of April, 2014.
