On August 14, 2014, the South Dakota Public Utilities Commission (Commission) received a filing from the Commission's staff (Staff) regarding an electric service territory boundary agreement between Colman Municipal Electric and Sioux Valley Energy. This filing is made pursuant to current efforts of the Commission to verify electric territory mapping data for conversion to electronic format and use in a geographic information system (GIS) database. With the assistance of the above-referenced utilities, Staff has confirmed the service territory boundary shared by these utilities and has prepared updated mapping information. Staff asks for approval of the agreement to update official mapping data to properly reflect the service territory boundaries shared by the utilities in this docket.

On August 21, 2014, the Commission electronically transmitted notice of the filing and the intervention deadline of September 5, 2014, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv.
