MidAmerican respectfully requests that Confidential Exhibit 1 should be accorded confidential treatment for three years or such time as the Commission may deem reasonable.

The confidential materials constitute a trade secret and, if released, would give an advantage to competitors and serve no public purpose. If MidAmerican's competitors or customers were to gain access to these negotiated energy charges or coal prices, MidAmerican's ability to minimize electric costs that are billed to customers would be impaired. The confidential material contains commercially sensitive information, which if released to the general public, would give an unfair

advantage to existing and potential electric suppliers and customers. *Food Marketing Institute v. Argus Leader Media*, 139 S. Ct. 2356, 2358 (2019).
