**RE: Fuel and Purchased Power Adjustment – October 2024**

Dear Ms. Van Gerpen:

Montana-Dakota Utilities Co. (Montana-Dakota, Company) herewith respectfully files its fuel and purchased power (F&PP) adjustment to the South Dakota Utilities Commission in accordance of its Rate 58 tariff, as approved in Docket No. EL23-020.

Exhibit A, page 1 summarizes the fuel and purchased power adjustment calculated pursuant to the terms of Rate 58 that will apply during the month of October 2024. Pages 2 through 4 show the calculation of the adjustment which is based on a four-month historical average cost of fuel and purchased power.

The net effect of this F&PP adjustment is an increase of 0.030 cents per kWh for service rendered in the month of October 2024 from current effective rates as shown below. The per unit increase was the result of higher generation costs.

F&PP Effective October 1, 2024	\$0.01401
F&PP Effective September 1, 2024	<u>0.01371</u>
Change	\$0.00030

The current and historical Fuel and Purchased Power Adjustment can be found by selecting the Fuel and Purchased Power Adjustment link at <https://www.montana-dakota.com/rates-services/rates-tariffs>.

All of Montana-Dakota's retail electric customers in South Dakota may be affected by this proposal. There were 8,467 customers in South Dakota as of August 31, 2024.

If you have any questions regarding this filing, please contact me at (701) 222-7855 or [Travis.Jacobson@mdu.com](mailto:Travis.Jacobson@mdu.com).

Sincerely,

*/s/ Travis R. Jacobson*
