Re: Fuel and Purchased Power Adjustment – March 2025

Dear Ms. Van Gerpen:

Montana-Dakota Utilities Co. (Montana-Dakota, Company) herewith respectfully files its fuel and purchased power (F&PP) adjustment to the South Dakota Utilities Commission in accordance of its Rate 58 tariff, as approved in Docket No. EL23-020.

Exhibit A, page 1 summarizes the fuel and purchased power adjustment calculated pursuant to the terms of Rate 58 that will apply during the month of March 2025. Pages 2 through 4 show the calculation of the adjustment which is based on a four-month historical average cost of fuel and purchased power.

The net effect of this F&PP adjustment compared to the effective rates is shown below. The change was largely the result of a per unit increase in MISO market prices.

F&PP Effective March 1, 2025	\$0.02108
F&PP Effective February 1, 2025	<u>0.02102</u>
Change	\$0.00006

The current and historical Fuel and Purchased Power Adjustment can be found by selecting the Fuel and Purchased Power Adjustment link at <https://www.montana-dakota.com/rates-services/rates-tariffs>.

All of Montana-Dakota's retail electric customers in South Dakota may be affected by this proposal. There were 8,446 customers in South Dakota as of January 31, 2025.

If you have any questions regarding this filing, please contact me at (701) 222-7855 or travis.jacobson@mdu.com.

Sincerely,

/s/ Travis R. Jacobson
