Commissioner Hanson,

Sorry I didn't get a chance to say hello at one of the DAPL meetings. You were pretty busy talking with folks and I didn't want to interrupt.

I did want to follow-up on one issue. At the Bowdle meeting you asked the DAPL folks if they knew how many crude oil trains were coming in and out of South Dakota. That type of data is reported to the State Emergency Response Commission (SERC) and is available on DENR's website at <http://denr.sd.gov/des/gw/SARATitleIII/OilTrains.aspx>.

Take care,
