Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40 City of Sioux Falls

(Name of Applicant)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.

Although the pipeline is not proposed to be constructed within the Sioux Falls City limits or the projected 2035 growth area for the City, Sioux Falls holds an interest because the proposed pipeline is near the City landfill west of Sioux Falls and would also cross a city owned pipeline.

The proposal would also cross the cross the Lewis & Clark Rural Water System pipeline. The City is a member of Lewis and Clark and receives water from it.
