The proposed 12- to 30-inch diameter pipeline will have an initial capacity of 450,000 barrels of oil per day with a total potential of up to 570,000 barrels per day. The proposed route will enter South Dakota in Campbell County at the North Dakota/South Dakota border and will extend in a southeasterly direction, exiting the state at the South Dakota/Iowa border in Lincoln County. The length of the Pipeline through South Dakota is approximately 272.3 miles. The Pipeline also would include one pump station in South Dakota located in Spink County. On December 16, 2014, the Commission issued a Notice of Application; Order for and Notice of Public Input Hearings; Notice of Opportunity to Apply for Party Status (Notice). On December 17, 2014, Dakota Access filed a Motion for Waiver of ARSD 20:10:22:39. On December 23, 2014, Dakota Access filed a revised application and revised Exhibits A and C. On January 21, 2015, the Commission held public input hearings in Bowdle and Redfield, S.D. On January 22, 2015, the Commission held public input hearings in Iroquois and Sioux Falls, S.D.

On December 18, 2014, the Commission electronically transmitted the Notice and the intervention deadline to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv and filed the application with the County Auditor of each county wholly or partially within the project area. Notice of the application and opportunity to apply for party status was also published in newspapers of general circulation in each county wholly or partially within the area of the proposed Pipeline route. As required by ARSD 20:10:22:39, a deadline for filing a request for party status was set for February 13, 2015. On December 30, 2014, the Commission issued an Order Assessing Filing Fee.

On January 14, Governor Daugaard filed a letter to Secretary of State Shantel Krebs appointing State Treasurer Rich Sattgast to serve as Acting Commissioner in place of Commissioner Fiegen pursuant to SDCL 49-1-9.

On February 18, 2015, the Commission issued an Order Granting Waiver and Intervention and Party Status granting intervention and party status to the thirty-four persons who had filed Applications for Party Status by February 12, 2015. An additional fifteen Applications for Party Status have been received by the Commission since February 12, 2015, and will be considered by the Commission at its regular meeting on March 2, 2015. On February 24, 2015, the Commission's staff attorney conducted an email exchange with the parties and pending applicants for party status regarding an acceptable date for a prehearing scheduling conference.

The Commission has jurisdiction over this matter pursuant to SDCL Chapter 49-41B, specifically 49-41B-17 and ARSD Chapter 20:10:22.
