SOUTH DAKOTA PUBLIC  
UTILITIES COMMISSION

Dear P.U.C.

Attn: HP 14-002

As a resident of Lincoln County,  
I am not in favor of the PUC  
giving a permit to Dakota Access LLC.  
The proposed pipe line would go  
thru growth areas of Sioux Falls,  
Tea + Harrisburg. Why? That  
would pose a threat to local  
environment, water safety &  
future inhabitants. Please do  
not allow Dakota Access LLC a permit  
to go thru S.D. Iowa isn't allowing  
them either

Sincerely,  
Rhoda Strasser

Dear Ms. Strasser:

Thank you for your letter regarding the Dakota Access Pipeline. It is posted in the South Dakota Public Utilities Commission's formal pipeline siting docket, HP14-002, under Comments and Responses.

The docket may be found online at [www.puc.sd.gov](http://www.puc.sd.gov) by clicking on Commission Actions, Commission Dockets, Hydrocarbon Pipeline Dockets, 2014 Hydrocarbon Pipeline Dockets, and then HP14-002. Since this is an open docket before the commission, correspondence is posted in the open, public docket so that the other commissioners and all parties to the case have access to it. I have enclosed a Pipeline Siting Guide which is linked to the commission's website home page which you may find of interest.

Sincerely,

  
Chris Nelson
