RE: HP-002, In The Matter of the Application of Dakota Access, LLC for an Energy Facility Permit to Construct the Dakota Access Pipeline

Dear South Dakota Commissioners:

Did you know that in February 2015, the Wall Street Journal compared oil from **86** locations around the world and found the **BAKKEN** crude oil to be the most **EXPLOSIVE?**

Please **DENY** the Dakota Access Pipeline.

Thank you for your time and consideration.
