The foreign owned company, Trans Canada, objects to my party status because I live outside of South Dakota. Well, so do they!

Our family farm is less than 5 miles from the SD border. I do consider myself as a legitimate intervenor. Their proposed pipeline will cross a mile of our family farm and be sited approximately 200 yards from my house. TransCanada knows this. Unlike them, I am a U.S. citizen, a legal resident of the State of Nebraska, and a Marine Corps Veteran. I worked for, and retired from the Department of Defense at Naval Submarine Base, Bangor, Silverdale, Washington.

There are a number of reasons that I do not support this pipeline and believe there are legitimate reasons to be concerned, not only for Nebraska, but South Dakota as well. I desire an opportunity to be heard on this matter and respectfully urge you to consider me for party status. Reject Trans Canadas' contention that living outside of South Dakota should disqualify me.
