Mr. Noeldner:

This is in response to your message regarding the Dakota Range Permit Application request, filed with the commission on Jan. 24, 2018. I appreciate your suggestion to consider specific technology dealing with aircraft notification.

I encourage you to follow along as this docket is processed. Here is a link to the docket, EL18003, <http://www.puc.sd.gov/Dockets/Electric/2018/EL18-003.aspx>, and here is a link to the PUC's Information Guide to Siting Energy Conversion & Electric Transmission Facilities, <http://puc.sd.gov/commission/Publication/sitinghandout.pdf>. It is helpful in explaining the PUC's processing of siting dockets such as this one.

Your letter and this response will be posted in the commission's public, online docket under Comments and Responses.

Thank you for your interest as well as your mother's in the Dakota Range Permit Request process.

To Whom It May Concern,

As a community member, I am writing to you to express my support for the nearby Dakota Range Wind, an Apex Clean Energy wind project located in Codington and Grant counties, South Dakota.

- I support Dakota Range Wind because it will provide economic benefits to the local economy, tax base, schools, residents, towns, and counties.
- I support Dakota Range Wind because it will provide numerous benefits for the local and broader environment, including water consumption savings and carbon dioxide emissions reductions.
- I support Dakota Range Wind because its developer, Apex Clean Energy, is responsible and honest.

Sincerely,
