Mr. and Mrs. Thompson:

This is in response to your message regarding the Dakota Range projects' permit application requests filed with the commission.

I encourage you to follow along as these dockets are processed: EL18-003, <http://www.puc.sd.gov/Dockets/Electric/2018/EL18-003.aspx>, and EL18-019, <http://www.puc.sd.gov/Dockets/Electric/2018/el18-019.aspx>. This Information Guide to Siting Energy Conversion & Electric Transmission Facilities may be helpful in explaining the PUC's processing of siting dockets such as these: <http://puc.sd.gov/commission/Publication/sitinghandout.pdf>.

Your message and this response will be posted in the commission's public, online dockets under Comments and Responses.

Thank you for your interest in these siting dockets.
