Re: Docket #EL19-003
Application to the SD PUC for a Facility Permit to Construct
A 300 megawatt Wind Facility

Dear Ms. Van Gerpen:

Crowned Ridge Wind, LLC “(Crowned Ridge”) submits the following:

1. An informational sheet providing the identity and qualifications of the proposed public liaison officer, who works for a contractor of the Applicant sent to the relevant landowners;
2. An Affidavit of Landowner Mailings; and
3. A Confidential Landowner Listing as Referenced in the Affidavit of Sarah Sappington, which list the names and addresses of the landowners the informational sheets were sent to.

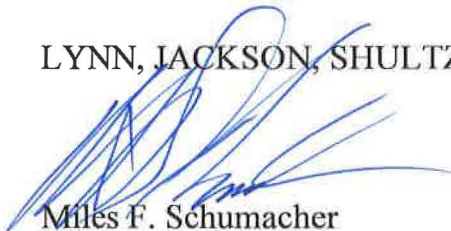

Pursuant to ARSD20:10:01:41 I would ask that the Confidential Landowner Listing as Referenced in the Affidavit of Sarah Sappington be filed Confidential since it includes the names and addresses of persons who may prefer that information not be made public. As required, we have marked the document name Confidential as well as each page of the document.

If you have any questions, please contact me.

Project Liaison Officer

I would like to inform you that the South Dakota Public Utility Commission (Commission) approved Brian Riniker as the Crowned Ridge Wind Farm (Project) Public Liaison Officer on July 25, 2019. A Public Liaison Officer has been appointed to work directly with you in the event your questions or concerns are not resolved through discussions with the Crowned Ridge Wind, LLC (CRW) project team. In addition, Brian Riniker will facilitate the exchange of information between landowners and the Commission, should it be necessary. The Public Liaison Officer, pictured below, can be contacted at:

Brian Riniker
5701 South Corporate Place Suite 1
Sioux Falls, SD 57108
(605)777-4054
CrownedRidgePLO@ulteig.com

While CRW continues to be willing and available to answer any questions you may have regarding the Project, Brian Riniker will serve as another point of contact for your local community through the construction process of the Project located in Grant and Codington County, South Dakota.

We look forward to addressing any questions you may have and working with you through the construction and operations of the Project.

Sincerely,

Tyler Wilhelm
Senior Project Manager
