(Name of Applicant, this will be the person or entity named as a party)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.  
Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.  
(Example: Landowner in project area).

During the Crowned Ridge I evidentiary hearing I heard from the Applicant's witness that sound would impact <sup>someone</sup> 25 miles away. I am concerned about how the cumulative impacts from 3 projects will affect the health safety and welfare of myself, my family and my livestock. Crowned Ridge II has turbines in Grant County, I live in Grant county and am concerned about impacts from construction, operation and decommissioning the Project.

Subscribed and sworn to before me this 14<sup>th</sup> day of July, 2019
