ACTING CHAIRMAN NELSON: EL19-027, In the Matter of the Application by Crowned Ridge Wind 2, LLC for a Permit of a Wind Energy Facility in Deuel, Grant, and Codington Counties.

2.4

The question is shall the Commission grant
Intervenor's Motion for Examination or Admission Upon
Stipulation of Counsel? Or how shall the Commission
proceed?

And we are going to go first to Mr. Swanson representing the Intervenors.

MR. SWANSON: Thank you, Mr. Chairman. The motion that I filed on November the 16th was intended to preserve the opportunity to have my Intervenor and witness Steven Greber -- the opportunity to present his testimony in Affidavit form.

My motion is supplemented then by letters of November 21 and November 22. Basically what is happening or what I have attempted to clarify is that I think having Mr. Greber stand cross-examination remotely by phone right now or tomorrow is no longer necessary.

He assures me as long as attention is paid to the fact that he is 12 hours preceding us on average -the ship will tend to move around in the sea so it could be 11 hours or 13 hours. As long as we attend to that from Pierre during the course of the hearing that is now

scheduled for February 4 through 7, he should be able to 1 2 participate by telephone. 3 ACTING CHAIR NELSON: And so this is 4 Commissioner Nelson. Are you withdrawing your motion? 5 MR. SWANSON: As long as there's nothing else to 6 discuss that's on the table now. I quess if 7 Mr. Schumacher is taking the position that he is going to 8 require personal attendance by Mr. Greber, then I would like to hear that statement today because Mr. Greber is 10 going to be on a vessel leased to the U.S. government and 11 will not be available during the February setting. 12 ACTING CHAIR NELSON: Okay. Then, given that, 13 we'll play this out. Anything else at this point, 14 Mr. Swanson? 15 MR. SWANSON: No. 16 ACTING CHAIR NELSON: And we'll go to 17 Mr. Schumacher with Crowned Ridge. 18 MR. SCHUMACHER: Thank you, Mr. Chairman. 19 We don't see any reason to compel personal 20 attendance under the circumstances. We have some history 21 working with witnesses testifying telephonically before 22 the Commission and believe this is a circumstance where 23 that is appropriate. So we have no objection to that. 2.4 ACTING CHAIR NELSON: And Staff. 25 MS. REISS: Thank you. This is Amanda Reiss for

Staff. And Staff would have no objection to allowing 1 2 Mr. Greber to testify via telephone. 3 ACTING CHAIR NELSON: And just give me a moment. I want to consult with counsel for a moment. 4 5 (Pause.) 6 ACTING CHAIR NELSON: So I don't think, 7 Mr. Swanson, there is any need for rebuttal. Upon 8 consulting counsel here, we can proceed either of two We can either have you on the fly turn this into a 10 motion to allow for telephonic testimony, or you can 11 simply withdraw this today and file that motion sometime 12 later. 13 MR. SWANSON: Well, I'd be happy to turn it into 14 a motion without further ado to allow this witness to 15 appear telephonically. Mr. Greber also stated that he didn't think the captain would allow Miles Schumacher to 16 17 try and join the ship during the course of the hearing so 18 I guess present by an appearance by telephone is the only 19 option I have left. 20 ACTING CHAIR NELSON: Well, if they're sailing 21 in the South Pacific, maybe we all want to join them. 22 I'm not sure. 23 Mr. Schumacher, anything for you to weigh in? 24 MR. SCHUMACHER: Thank you. No, Chairman 25 Nelson.

ACTING CHAIR NELSON: And Staff. 1 2 MS. REISS: No, thank you. 3 ACTING CHAIR NELSON: Okay. With that, I'm 4 going to open it up to Commissioners for any questions or 5 comments. Obviously, we're kind of changing things up 6 here. Questions or comments from the Commissioners? 7 8 CHAIRMAN HANSON: Sounds like everything has 9 been resolved. Thank you, Mr. Chair. 10 ACTING CHAIR NELSON: And I will simply say I'm pretty well on record as being leery of telephonic 11 12 testimony because we've had some bad experiences in the 1.3 past, and it's particularly difficult for our court 14 reporter sometimes to follow that testimony. 15 Given this circumstance, I'm willing to risk it 16 one more time. My apologies to Cheri in advance. 17 it's with the caveat that if the connection is not good 18 and such that the court reporter cannot follow the 19 communication, you know, we'll pull the plug on it at that point. That's the risk that he runs. 20 21 MR. SWANSON: Well, it is a phone connection 22 provided by the U.S. government. What can go wrong? 23 ACTING CHAIR NELSON: We'll see. Thank you. 2.4 Additional discussion. You know, I appreciate 25 COMMISSIONER FIEGEN:

```
Commissioner Nelson's comment about if it's not working,
1
2
     we have to stop the flexibility and make sure our record
 3
     is correct and complete. So I agree with Commissioner
 4
     Nelson.
5
              ACTING CHAIR NELSON:
                                    Additional discussion?
 6
              Seeing none, I will move in EL19-027 that we
7
     grant an alternative motion to allow for telephonic
8
     testimony, with the condition that it is of a quality
     that those of us in person and the court reporter can
10
     follow.
11
              Discussion on the motion.
12
              Hearing none, all those in favor will vote aye;
13
     those opposed, nay.
14
              Commissioner Fiegen.
15
              COMMISSIONER FIEGEN:
                                     Fiegen votes aye.
16
              ACTING CHAIR NELSON: Commissioner Hanson.
17
              CHAIRMAN HANSON: Aye.
18
              ACTING CHAIR NELSON: And Nelson votes aye.
     Motion carries.
19
20
              We appreciate all the parties working together
21
     to kind of help make this happen, and we're hoping for
22
     great audio that day.
