

PUBLIC NOTICE

Proposed Changes in Rates, Charges, Classifications, Rules and Regulations for Electric Service.

The Company has filed with and there is now pending before the South Dakota Public Utilities Commission a proposed change in the Company's schedule. A copy of such proposed change is on file in this office and open to public inspection.

An employee of this Company will assist any person to determine the effect of the proposed change.

Customers should be advised that the Commission may alter or amend the rates or conditions of service after hearings held pursuant Article 20:10 SD. Chapter 20:10:13 and may increase or decrease individual rates in amounts other than those requested by the Company.

PUBLIC NOTICE

Proposed Changes in Rates, Charges, Classifications, Rules and Regulations for Gas Service.

The Company has filed with and there is now pending before the South Dakota Public Utilities Commission a proposed change in the Company's schedule. A copy of such proposed change is on file in this office and open to public inspection.

An employee of this Company will assist any person to determine the effect of the proposed change.
