Site Forms for Review and Files

Dear Mr. Reed,

Enclosed for your review and files are two site form updates for the sites that were tested during the 2006 field season. The results of the testing of sites 32RMx89 and 32RM160 will be discussed in a forthcoming report.

Should you have any comments or questions in regards to these forms, please contact the MAC Bismarck office.

Sincerely,

Suzanne Nelsen
Office Manager
