RE: Keystone Pipeline Project Cultural Resource Investigation Survey Reports

Dear Mr. LeBeau III,

In response to your request at the February 21, 2007, Corps of Engineers meeting in Pierre, South Dakota, Kim Munson with ENSR International requested that our office send the enclosed copies of the final drafts of the survey reports prepared for TransCanada's Keystone Pipeline Project (*Keystone Pipeline Project: Class I, II, and III Cultural Resource Investigations in Eastern North Dakota* and *Keystone Pipeline Project: Level I and II Cultural Resource Investigations in Eastern South Dakota*).

Metcalf Archaeological Consultants, Inc., the subcontractor who conducted the investigations, is sending these reports on behalf of the Department of State which is conducting the government-to-government consultation with respect to this matter. If you have any comments or concerns regarding the survey reports please contact the Department of State. The contact information is:

RE: Keystone Pipeline Project Cultural Resource Investigation Survey Reports

Dear Mr. Whitted,

Upon review we noticed that the cover letter with the reports we sent out January 22, 2007, was inadvertently addressed to Mr. Frankly and Mr. CrowsBreast. We apologize for the oversight and do hope that no harm has been caused by the error. It is our hope that you received the copies of the final drafts of the survey reports prepared for TransCanada's Keystone Pipeline Project (*Keystone Pipeline Project: Class I, II, and III Cultural Resource Investigations in Eastern North Dakota and Keystone Pipeline Project: Level I and II Cultural Resource Investigations in Eastern South Dakota*).
