RE: Keystone Pipeline Project

Dear Mr. Titus:

The Kansas State Historic Preservation Office has received your letter and maps dated March 2, 2006 and has reviewed its cultural resource files for the area of the above referenced project in accordance with 36 CFR 800. On the basis of submitted documentation and an earlier meeting (which took place in our offices on November 29, 2005) dealing with the adjacent Rockies Express Pipeline Project, we conclude that your sample survey proposal is a reasonable and thorough approach. Our office therefore formally accepts the proposal as presented.

Thank you for your assistance. If you have questions or need additional information regarding these comments, please contact Tim Weston at 785-272-8681 (ext. 214).

Sincerely,

Jennie Chinn
State Historic Preservation Officer
