Pursuant to Condition 49 of the Final Decision and Order, Applicant nominates and moves the Commission for an Order approving Chris Giesbrecht, Ankit Chadha and Patrick Saussus of ATCO Structures and Logistics as the Keystone Pipeline Project independent noise consultants.

Pursuant to Condition 49, Keystone shall provide an independent noise consultant, to show compliance with the applicable noise level at each pump station or other noise-producing facility. The noise assessments will be performed in accordance with applicable American National Standards Institute standards. The results of the assessments will be filed with the Commission.

Messrs. Giesbrecht, Chadha, and Saussus are qualified individuals as demonstrated by the resumes attached hereto as exhibits. They are excellent candidates for the positions and the applicant requests Commission approval forthwith.

Dated this 2nd day of March, 2011.
