Dear Ms. Van Gerpen:

I enclose for filing copies of water permits recently granted by the South Dakota Water Management Board. There are three permanent permits, all dated February 28, 2020, Nos. 1986-1, 2792-2, and 2793-2. There are also three temporary permits issued the same date. They are for the Donald F. King Dam, the Oxbow Lake at Madsen Ranch Land Co. LLC, and the Smith Cattle LLC Dam. Thank you for filing these in the docket.

Yours very truly,
