petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.

I work with Bold Nebraska and the Cowboy Indian Alliance on issues regarding Keystone XL pipeline and the concerns around risks to water, private property rights, and soil. We would like to bring up issues, risks, and evidence around soil type and the Sandhills that reach into southern South Dakota as well as the Ogallala Aquifer.
