Dear Kristie

I Thank-you for writing to me and informing me of your website and all that it offers.

And I did go to your website.
I Thank-you for all the information that it has.

But, I still am asking you and everyone to please stop the pipeline going through Indian lands.

Please consider of all the indians and of how they have suffered. And please consider of how much of how they have objected to the pipeline.

As you know, the ~~the~~ indians have suffered unjustly. They have always had to make concessions.

I realize that I am only one person.
But please think of how much the
indian people have had to give up.
It breaks my heart to see all
the protest movement on You Tube.

Please ~~to~~ honor the request of all
the indian tribes and of how they
strongly object to the pipeline.

Again, Kristie, please reconsider
all the objections of all the indian
tribes to the pipeline. And I
Thank-you for answering my letter.
And for directing me to your website.

Again, I Thank-you for all your
generosity and for your courtesy.

Respectfully

Larry Beltran
