Subject: Keystone Pipeline

Hello,

I am contacting you again about my concerns for the Keystone Pipeline. Mostly in regards to the amount of money that has been given by the oil and gas industry to our South Dakota politicians in regards to the project.

<http://maplight.org/content/oil-and-gas-industry-gave-10-times-more-money-to-senators-voting-for-keystone-xl>

I fear that our state officials have been boughten by the oil and gas industry and have ignored what is in the best interest for South Dakota.

Thank you.
