Ms. Heidler:

Thank you for your message regarding the Keystone XL pipeline certification docket. I appreciate your sharing your particular issue of concern. Your message will be posted in the electronic public record so my fellow commissioners and other parties in this docket can read it. Here is a link to the docket, HP14-001: http://www.puc.sd.gov/Dockets/HydrocarbonPipeline/2014/hp14-001.aspx

Here are links to two document found on the PUC's home page online. The first is titled Pipeline Siting Info Guide and the second is Keystone XL Pipeline Updates. These documents explain the processing of a pipeline siting case according to the South Dakota laws governing this commission. The latter links to some of the most-often-heard questions about the project and process and the answers.
