Dear Ms. Beck:

Thank you for contacting the commission regarding the Keystone XL pipeline certification docket. Your comments will be added to the electronic public record so the commissioners and other parties in this docket can read them.

You can access the docket online by going to [www.puc.sd.gov](http://www.puc.sd.gov) and clicking on Commission Actions, Commission Dockets, Hydrocarbon Pipeline Dockets, 2014 Dockets, and then you will see this docket, HP14-001.

On the PUC website's homepage, you will find a link titled Pipeline Siting Info Guide and here you will find additional pipeline siting information including Frequently Asked Questions. This also takes you to a document that explains the processing of a pipeline siting case according to the South Dakota laws governing this commission and this process. A copy of that document is enclosed.

Sincerely,

Gary Hanson
