Thank you for your message to my fellow commissioners and me regarding the Keystone XL Pipeline. It will be posted in the South Dakota Public Utilities Commission's formal pipeline siting docket, HP14-001, under Comments and Responses. Since this is an open docket before the commission, any correspondence involving a commissioner must be posted in the open, public docket so that other commissioners and all parties to the case have access to it.

Chairman Chris Nelson
South Dakota Public Utilities Commission
