

PREFACE

This document is a revised edition of the Engineering and Geoscience Professions Act, Regulations (including the Code of Ethics) and By-Laws, incorporating all amendments up to March 2012. The Act and Regulations are printed with the permission of the Government of the Province of Alberta.

The Act, (Revised Statutes of Alberta. Chapter E-11.1), is a government consolidation of the 1981 Act, the 1984 Amendment Act and other subsequent amendments. The amendments proclaimed in 2012 created APEGA in the place of APEGGA. The General Regulation is a consolidation of the 1981 Regulation and amendments to the Regulation approved in December 1985, July 1990, April 1996, July 1999 (AR 150/99), February 2003 (AR 37/2003), April 2007 (AR 72/2007), October 2009 (AR 281/2009) and March 2012 (AR 55/2012). A regulation providing for registration of professional technologists (AR 283/2009) was amended by AR 57/2012, and a regulation respecting the operation of ASET (AR 282/2009) was amended by AR 56/2012. All persons making use of this consolidation are reminded that it has no legislative sanction, that the amendments have been embodied for convenience of reference only, and that the original Act, Regulations and amending Acts and Regulations be consulted for all purposes of interpreting and applying the law.

The By-Laws incorporate the amendments which were approved at the APEGGA Annual General Meetings of June 1983, June 1987, April 1991, April 1993, April 1996, April 1997, April 1998, April 1999, April 2000, April 2001, April 2002, April 2004, April 2005, April 2009, and April 2010 and at a special meeting of members in October, 2009. Consequential amendments to Bylaws taking effect in March 2012 with the latest amendments to Act and Regulations are included. These are the latest amendments.

An index is provided for convenient reference to any or all of the three documents.
