State: Township:	SD 097N	County:	Tripp 076W	-		ad Map: <u>N/A</u>	attached map	shoot	
Section:	001, 002	Range:	Centerline	e: 6/11/201		MP:	578.56	to	579.37
REASON FOR ROUT The primary reason for Landowner's well. Th without impacting any gap in the shelterbelt This centerline route	or this proposed cha ere will be a 50 ft no r new landowners. where the centerlin	ange is to sh eckdown to Landowner ne crosses. 1	ift the CL out o cross the shelt (ML-SD-TR-11 ferrain and soil	of a swampy low erbelt with 200' > 360.000 - Harte I conditions are i	25' new work) prefers this r mproved on pr	space added route as there roposed route	to all four (4) e will be no tre e.	sides of the e removal d	shelterbelt
