Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.

I live in Meade County, SD. Pipeline to cross Meade Cty. I am concerned about costs to county & state government from adverse impacts of pipeline & how costs would impact me as taxpayer of county & state level & at delivery of other services. I care about environment & use outdoors for recreation. I fear adverse impacts from pipeline to land, water, wildlife, fish & plants. I care about protection of cultural & historic sites. I wish for best safeguards possible & high bonds. I care about climate change & impacts to Canada from extractions. I am concerned about spills, leaks & what happens to abandoned pipeline at closure & very long term. I fear public financing of clean up after company makes money.
