Dear Mr. Anderson:

Thank you for your letter noting specific concerns regarding your property and the Dakota Access Pipeline construction permit application. Your letter will be added to the Dakota Access docket, HP14-002, along with this response.

You will find the docket online at [www.puc.sd.gov](http://www.puc.sd.gov) by clicking on Commission Actions, Commission Dockets, Hydrocarbon Pipeline Dockets, 2014 Hydrocarbon Pipeline Dockets, and HP14-002. Because commissioners have a decision-making role in docket matters, any discussion with a commissioner about an open docket must take place in an open, public forum. By adding your letter in the docket file under Comments and Responses, the other commissioners and interested parties will have access to your comments for consideration.

I am also enclosing a document titled Pipeline Siting Info Guide and a Dakota Access Pipeline Frequently Asked Questions document, both from the commission's website which may be helpful.

Sincerely,

Chris Nelson
