UTILITIES COMMISSION

7 Dear Sirs,

9 Per my phone call to your Commission on Monday,
10 October 24, 2016, I was informed that the Dakota
11 Access Pipeline was completed in the State of
12 South Dakota. When I inquired if there were any
13 consultations with the Indian tribes I was told
14 there were consultations with the Indian tribes.

15 At this time I would ask who were these tribes
16 and/or individuals who were consulted with on
17 behalf of the Indians? When and where were these
18 consultations held? What was agreed to and is
19 there any written record available for me to read?

20 I would appreciate an answer to the above
21 three (3) questions and any documentation to
22 support your answers. Please send it to me at the
23 address appearing below. Thank you.

24 Sincerely,

25
