Dear Mr. Hohn:

Thank you for your letter regarding the Dakota Access Pipeline and copy of the report titled, "Assessment of Water Resources and Conceptual Evaluation of a Regional Water Supply for Southeastern South Dakota," from the University of South Dakota and dated 1989.

These are posted in the South Dakota Public Utilities Commission's formal pipeline siting docket, HP14-002, under Comments and Responses. You can find the docket online by going to [www.puc.sd.gov](http://www.puc.sd.gov) and clicking on Commission Actions, Commission Dockets, Hydrocarbon Pipeline Dockets, 2014 Hydrocarbon Pipeline Dockets, and HP14-002.

Since this is an open docket before the commission, correspondence is posted in the open, public docket so that the other commissioners and all parties to the case have access to it.

Sincerely,

  
Chris Nelson
