SOUTH DAKOTA PUBLIC
UTILITIES COMMISSION

South Dakota Public Utilities Com.
Pierre, SD 57501

Dear Sirs:

Vote "NO" in regard to the
proposed Dakota Access Pipeline.

We were told when this was first
suggested, that it would create
many jobs for South Dakota workers.
Well, that turns out to be a lie.
This company already has their own
workers.

How come you aren't keeping our
state safe from: lost of crop land,
trees, local environment, water safety,
future inhabitants, pipeline accidents,
underground aquifers, further
development of towns, homes, farmland,
farmsteads, acres, one time payments
to landowners and other liability issues.

Will this oil remain in the U.S.?

A South Dakota
Landowner
