Subject: DAKOTA ACCESS DOCKET, HP14-002

Mr. Witter:

Thank you for your comment. It will be added to the Dakota Access Pipeline docket, HP14-002, along with this response. Here is a direct link to the docket: <http://www.puc.sd.gov/Dockets/HydrocarbonPipeline/2014/hp14-002.aspx> Because commissioners have a decision-making role in docket matters, any discussion with a commissioner about an open docket must take place in an open, public forum. By placing your comments in the docket file, other commissioners and interested parties will have access to your comments for consideration.

Here is a document from the commission's web site which explains the processing of pipeline siting permit requests which may be helpful to you: <http://www.puc.sd.gov/commission/Publication/pipelinesiting.pdf> And here is a Dakota Access Pipeline Frequently Asked Questions document from the site which may be of interest: <http://www.puc.sd.gov/Dockets/HydrocarbonPipeline/2014/h14-002faq.aspx>

Chris Nelson, Chairman
South Dakota Public Utilities Commission
