**Subject:** [EXT] Slack Family Properties, LLC v. Dakota Access, LLC, CIV. 17-460

Commissioners Nelson, Hanson, and Fiegen,

As you might be aware, I represent Greg Slack and Slack Family Properties, LLC in connection with problems being encountered with the Dakota Access oil pipeline. Attached hereto for your review is a filed stamped copy of the Complaint in case number CIV. 17-460 which was filed on October 31, 2017. I have copied the Dakota Access representatives on this correspondence.

On October 13, 2016 I earlier made the PUC aware of the drain tile problems that Greg Slack was experiencing on his land. For reference, please see Paragraphs 30 - 31 of the Complaint. As you can gather from the Complaint, substantial damages and problems have been incurred by the Slack family. And those problems/damages are still continuing.

Greg Slack welcomes any assistance the PUC can offer in terms of resolving this matter with Dakota Access. Thank you.
