**TEMPORARY PERMIT TO USE PUBLIC WATERS
FOR CONSTRUCTION PURPOSES**

This temporary permit to use public waters for construction purposes is issued to Dakota Access LLC, 1300 Main St., Houston TX 77002 authorizing withdrawal of 2,000,000 gallons of water at a maximum rate of 75 gallons per minute from ground water (a privately owned Dakota Formation well) located in the NW ¼ NE ¼ Section 30, T113N, R61W, Beadle County. The project involves construction of the Dakota Access Pipeline including use of water for horizontal directional drill construction and mainline testing of the pipe prior to operation.

Coverage must be obtained under the General Permit for Temporary Discharges prior to discharge of any water. This permit is issued through the Surface Water Quality Program within this Department.

This temporary permit becomes effective July 26, 2016 and expires on December 31, 2016.

This permit does not provide necessary right-of-way. Such arrangements should be made with the proper land owner.

Issuance of this temporary permit deals with the withdrawal of water only. It does not address other concerns or permitting issues from other State or Federal entities.
