(Name of Applicant)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.

I live and farm within 1 mile of the proposed oil pipeline, and the proposed pump station located south of Redfield in section 7 of 115 N 63 W Crandon Township. I am concerned about its effects it will have on my family and farm. I feel that there is a better location for the pumping station further away from families and homes.
