

Dear Landowner,

Dakota Access, LLC is pleased to provide notice of upcoming pipeline construction in the State of South Dakota. Construction in South Dakota is expected to begin on or about May 1, 2016. Enclosed for your information please find the following documents:

- 1) The Public Utilities Commission (PUC) Order granting Dakota Access LLC a permit to build.
- 2) Permit conditions issued by the PUC.
- 3) The Agricultural Mitigation Plan. Please pay particular attention to Section b. which provides a written explanation of topsoil segregation. Also note Section g. which provides an explanation regarding trenching and topsoil and subsoil/rock removal, segregation and restoration methods.
- 4) Dakota Access' Adverse Weather Plan.

We expect you may have questions as construction approaches and commences. Please direct your questions to the land agent assigned to your area. His or her name is provided below. Your land agent understands the construction process and we expect he or she can answer your questions.

However, in addition to the land agent specifically assigned to your segment of the project, you have access to a public liaison officer. Eric Munz, the project liaison officer pictured below, was appointed by the PUC to work directly with you in the event your questions or concerns are not resolved by the assigned land agent. In addition, Eric will facilitate the exchange of information between landowners and the PUC should it be necessary.

Your assigned land agents are:

Scot Tolbert (936) 329-2473 and Mike Norsworthy (337) 274-5372

The public liaison officer can be contacted at:

Eric Munz / DAPL Liaison
PO Box 31
Tea, SD 57064

605-988-7137 -Cell
800-665-5763 - Toll Free
daplliaisonsd@gmail.com

We look forward to working with you during and after construction of the Dakota Access Pipeline in South Dakota.

Sincerely,

The Dakota Access, LLC team
