**RE: APPLICATION TO THE SOUTH DAKOTA PUBLIC UTILITIES COMMISSION  
FOR A PERMIT FOR THE DAKOTA ACCESS PIPELINE UNDER THE  
ENERGY CONVERSION AND TRANSMISSION FACILITY ACT;  
HP14-002  
Our file: 0300**

Dear Ms. Van Gerpen:

Earlier this afternoon I uploaded a revised application and revised exhibits A and C. The documents were revised to reflect route changes which we consider to be significant.

They are referenced as Route Changes A and B. Route Change A is in Spink County and is approximately 6 miles in length. Route Change A is designed to avoid center pivot irrigation systems and also incorporated routing feedback from impacted landowners in the area. Route Change B is in Turner and Lincoln Counties and is approximately 16 miles in length. Route Change B is designed to avoid property inside and close to developing areas near Sioux Falls.

We were able to timely notify landowners along the new revised routes of the upcoming Commission meetings regarding the project. We will mail out the revised documents to county auditors shortly.

Very truly yours,

MAY, ADAM, GERDES & THOMPSON, LLP
