Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.

I and my siblings own the 1/4 section legally described as the NW 1/4 of 4-99-51 in Lincoln Co. SD. located at the intersection of Highway 17 and 273rd St. The current Dakota Access Pipeline plan is to cut diagonally across our farm from the NW corner to the SE corner. I have concerns about the economic and environmental impact both long and short term and the potential negative impact for future development, not only for our farm but the area in general. Therefore I respectfully request approval for Party Status.
