

c) Notify affected landowners of any change in the route on their land.

d) Upon completion of the pre-construction route, Dakota Access shall file maps with the Commission depicting the final preconstruction route.

e) At the conclusion of construction, Dakota Access shall file detailed maps with the Commission depicting the final as-built location of the Project facilities.

6. Dakota Access shall provide a public liaison officer, approved by the Commission, to facilitate the exchange of information between Dakota Access, including its contractors, and landowners, local communities, and residents and to facilitate prompt resolution of complaints and problems that may develop for landowners, local communities, and residents as a result of the Project. Dakota Access shall file with the Commission its proposed public liaison officer's credentials for approval by the Commission prior to the commencement of construction. After the public liaison officer has been approved by the Commission, the public liaison officer may not be removed by Dakota Access without the approval of the Commission. The public liaison officer shall be afforded immediate access to Dakota Access's on-site project manager, its executive project manager, and to contractors' on-site managers and shall be available at all times to the Staff via mobile phone to respond to complaints and concerns communicated to the Staff by concerned landowners and others. Dakota Access shall also implement and keep an updated web site covering the planning and implementation of construction and commencement of operations in this state as an informational medium for the public. As soon as the Dakota Access's public liaison officer has been appointed and approved, Dakota Access shall provide contact information for him/her to all landowners crossed by the Project and to law enforcement agencies and local governments in the vicinity of the Project. The public liaison officer's contact information shall be provided to landowners in each subsequent written communication with them. If the Commission determines that the public liaison officer has not been adequately performing the duties set forth for the position in this Order, the Commission may, upon notice to Dakota Access and the public liaison officer, take action to remove the public liaison officer.

7. Dakota Access shall submit quarterly progress reports to the Commission that summarize the status of land acquisition and route finalization, the status of construction, the status of environmental control activities, including permitting status and Facility Response Plan and Integrity Management Plan development, and any other plan required pursuant to PHMSA regulations, the implementation of the other measures required by these conditions, and the overall percent of physical completion of the project and design changes of a substantive nature. Each report shall include a summary of consultations with the South Dakota Department of Environment and Natural Resources (SDDENR) and other agencies concerning the issuance of permits. The reports shall list dates, names, and the results of each contact and the company's progress in implementing prescribed construction, land restoration, environmental protection, emergency response and integrity management regulations, plans, and standards. The first report shall be due for the period ending March 31, 2016. The reports shall be filed within 31 days after the end of each quarterly period and shall continue until the project is fully operational. Once known, Dakota Access shall inform the Commission of the date construction will commence.

8. Continuing until landowner reclamation is complete, Dakota Access's public liaison officer shall report quarterly to the Commission on the status of the Project from his/her independent vantage point. The report shall detail
