Dear Treasurer Sattgast:

As you are aware, Commissioner Kristie Fiegen of the South Dakota Public Utilities Commission, in her letter of January 8, 2015, has disqualified herself, pursuant to SDCL 49-1-9, from participating in Docket HP14-002, In the Matter of the Application of Dakota Access, LLC for an Energy Facility Permit to Construct the Dakota Access Pipeline.

Your appointment is effective upon taking the oath of office. Please complete the enclosed Statement of Financial Interest and Oath of Office and return the documents at your earliest convenience.

I appreciate very much your willingness to undertake this additional responsibility.

Sincerely,
