Parties –

An update on the schedule for the HP22-001 Summit evidentiary hearing...

Monday, September 11 – Saturday, September 16, 2023,

Monday, September 18 – Thursday, September 21, 2023, and

Monday, September 25 – Wednesday, September 27, 2023.

The first day will begin promptly at 9:00 a.m. CDT at the Casey Tibbs South Dakota Rodeo Center at 210 Verendrye Dr., Fort Pierre, South Dakota.

As with other multi-day PUC evidentiary hearing, please be prepared for some long days, extending past 5 p.m. Along with most operations in Fort Pierre, this hearing will follow the Central time zone.

I'm working on a prehearing conference date and time and will follow up asap.

MOST IMPORTANTLY, MAJOR MOTIONS to be heard prior to the hearing should be filed accordingly to be placed on the Commission's agenda for its regularly scheduled meeting on August 29, 2023.

Attorneys, please make sure this information finds its way to your clients as they are not individually listed on the service list. A copy of this email will be available on the commission's website.
