## Chargers look to regions Saturday

Kaden St. Pierre goes head to head with an opponent at a recent meet. The Chargers will compete at regions on Saturday in Sisseton. / SUBMITTED PHOTO

The Hamlin-Castlewood wrestlers traveled to the Huron Invitational on Saturday, placing 10th out of 11 teams with 83 points to finish out their regular season. The region tournament will be held on Saturday in Sisseton.

Brody Randall took second place in the 106 weight class on Saturday, falling to Jackson Kaul of Bon Homme/Scotland in 1:12. Rylan Yonker, 113 pounds,

placed fourth with a fall in 4:25 to Brock Kotalik of Bon Homme/Scotland.

In the 120 pound weight division, John Yonker took fourth place with a fall in 2:46 to Haeden Jorgenson of Webster Area.

Chase Chambers fell to Kaden Kesider of Winner in 1:05 for second place in the 145 pound category.

### REDFIELD TRIANGULAR

Hamlin-Castlewood suffered at 52-22 loss to Redfield Area at the Redfield Triangular last Thursday. Milbank also participated.

John Yonker (120) and Brock Gisselbeck (138) each recorded falls for Hamlin-Castlewood against Redfield Area. Troy Randall Jr. (152) notched a major decision and Rylan Yonker (113) received a forfeit.

## Reminiscing

### 10 Years Ago (2012)

Larry Aho received something unique for Christmas this year, retirement. Aho, a Lake Norden resident, started his career in Spencer, SD. He spent one year there, then made his home in the Hamlin School District for the next 39 and one half years as a math teacher. "I loved to teach math. It was my thing. I enjoyed doing that very much." Aho also spent ten years as the Hamlin Middle School principal. For the first 20 years of his career, he also spent after hours time coaching junior high track, basketball and football. "Teachers as a whole are probably misunderstood in that people don't realize how much time they spend before and after school. Especially coaches." Aho's advice for teachers starting out is, "If you're going into teaching be committed to what you're doing and remember, our main goal is to educate the students and to bring them along to be worthwhile citizens."

Larry Brusse of Hayti was awarded the District Official Award of Excellence during the 2011 South Dakota Association of Conservation Districts Annual Convention. Brusse has been a District Supervisor for the Hamlin County Conservation District for 17 years and an advisor prior to that. He is diligent about taking the time to check in at the District Office. He is the person most often called upon in time of necessary repairs, and often completes the work himself. He regards the supervisor position with great respect and handles all responsibilities of that position extremely well.

Charlie and Michelle Koistinen of Hazel are the proud parents

of the First Baby born to parents residing in Hamlin County. Avery Rose Koistinen was born January 4, 2012, at 2:15 p.m. in Prairie Lake hospital, weighing 6 lbs. and 15 oz. She joins six sisters and two brothers. The earliest winner of the contest was the 1966 baby, Ralland Raymond Janssen, who arrived on Jan. 1 at 12:25 a.m.

Skyler Solsaa, Hayti, is a new Junior Member of the American Angus Association, reports Bryce Schumann CEO of the National Organization with headquarters in Saint Joseph, Mo. Junior Members of the Association are eligible to register cattle in the American Angus Association, participate in programs conducted by the National Junior Angus Association, take part in Association-sponsored Shows and other National and Regional events. The American Angus Association is the Largest Beef Breed Association in the world.

### 20 Years Ago (2002)

The family members of Ford Kiner presented a picture of their husband and father to the Hamlin School to be hung in the new trophy case at the Hamlin Education Center. The Ford Kiner family donated money for the new trophy case. Ford Kiner was the first superintendent of the Hamlin School District. Family members presenting the picture are Kay Hauge, Helen Kiner and George Kiner.

Hamlin High School's Head Girls Basketball Coach, Brad Noem, received 2001 Girls Basketball Coaching Honor from the South Dakota Basketball Coaches Association. Noem has been named Section 2 Girls Basketball Coach of the year.

- Thursday, March 24, 2022 – 5:30 p.m. CDT,  
– Redfield School Auditorium, 111 E. 6<sup>th</sup> Avenue, Redfield, South Dakota
- Friday, March 25, 2022 – 12:00 p.m. (noon) CDT,  
– Northern Room, Ramkota Hotel, 1400 8<sup>th</sup> Avenue Northwest, Aberdeen, South Dakota

Pursuant to SDCL 49-41B-15 and 49-41B-16, the South Dakota Public Utilities Commission will hold public input meetings at the above times and places on an application filed by SCS Carbon Transport LLC (Applicant) to construct a carbon dioxide (CO<sub>2</sub>) transmission pipeline (Project). The Project is approximately 2,000 miles of pipelines for the transportation of CO<sub>2</sub> from more than 30 ethanol plants across 5 states, including 7 ethanol plants in South Dakota, to underground injection

control facilities in North Dakota. The proposed route of the mainline enters South Dakota in Lincoln County at the Iowa/South Dakota border and extends in a northwesterly direction, exiting the state at the South Dakota/North Dakota border in McPherson County. In addition to the main line, the Project includes lateral and trunk lines connecting ethanol plants throughout the eastern part of South Dakota to the main line. The proposed length of pipelines through South Dakota is approximately 469 miles and will cross the counties of Beadle, Brown, Clark, Codington, Edmunds, Hamlin, Hand, Hyde, Kingsbury, Lake, Lincoln, McCook, McPherson, Minnehaha, Miner, Spink, Sully, and Turner. The Project includes a total of 4 pump stations located in Kingsbury, Minnehaha, McPherson, and Spink counties. Applicant estimates the total cost of the Project in South Dakota to be \$785 million.

The purpose of the public input meetings will be to hear public comments regarding the permit Application and the Project. At the meetings, Applicant will present a brief description of the Project, following which interested persons may appear and present their views, comments and questions regarding the Application. A copy of the Application is on file with the Beadle, Brown, Clark, Codington, Edmunds, Hamlin, Hand, Hyde, Kingsbury, Lake, Lincoln, McCook, McPherson, Minnehaha, Miner, Spink, Sully, and Turner County auditors pursuant to SDCL 49-41B-15.2 and at the Commission's office in Pierre. The Application and all other documents in the case, including detailed maps of the Project may be accessed on the Commission's website at [www.puc.sd.gov](http://www.puc.sd.gov) under Commission Actions, Commission Dockets, Hydrocarbon and Carbon Dioxide Pipeline Dockets, 2022 Hydrocarbon and Carbon Dioxide Pipeline Dockets, HP22-001.

Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40, the statutory parties to this proceeding are the Applicant and the Commission staff. Each municipality, county, and governmental agency in the area where the facility is proposed to be sited; or any person residing in the area where the facility is proposed to be sited, or any directly interested person, may be granted party status in this proceeding by making timely written application to the Commission. Applications for party status will be

available at the public input meetings or may be obtained from the Commission's website or by contacting the Commission. Applications for party status must be received by the Commission on or before 5:00 p.m. on April 8, 2022.

Following the public input meetings, the Commission may schedule a formal evidentiary hearing conforming to SDCL Chapter 1-26 to consider any issues raised by any intervening party, the Commission's staff, or the Commission itself. At such a formal hearing, all parties will have the opportunity to appear, present evidence, cross-examine the other parties' witnesses, and exercise all other rights afforded by SDCL Chapters 1-26, 49-1, and 49-41B and ARSD Chapters 20:10:01 and 20:10:22, including rights of appeal to the courts.

For approval, Applicant must show that the proposed Project will comply with all applicable laws and rules, will not pose a threat of serious injury to the environment nor to the social and economic condition of inhabitants or expected inhabitants in the siting area, will not substantially impair the health, safety or welfare of the inhabitants, and will not unduly interfere with the orderly development of the region with due consideration having been given to the views of governing bodies of affected local units of government. Based upon these factors, the Commission will decide whether the permit to construct should be granted, denied, or granted upon such terms, conditions, or modifications of the construction, operation, or maintenance as the Commission finds appropriate.

Pursuant to the Americans with Disabilities Act, these meetings are being held in a physically accessible location. Please contact the Commission at least 48 hours prior to the meeting if you have special needs so arrangements can be made to accommodate you.

The Commission's contact information is: ph (800) 332-1782; [www.puc.sd.gov](http://www.puc.sd.gov); [puc@state.sd.us](mailto:puc@state.sd.us); 500 E. Capitol Ave., Pierre, SD 57501.

Published three times by the South Dakota PUC at a total approximate cost of \$337.50.
