

SCHMIDT SURREBUTTAL - EXHIBIT 1

Updated Tables, Figures, and Appendices from Supplement to Application

INDEX

Exhibit 1(a) - Updated Tables

Table 1: Anticipated Permits or Reviews for the Project in South Dakota
Table 2: Project Facilities in South Dakota
Table 3: Land Requirements for the Project (Acres)
Table 4: Collocation of Pipelines in South Dakota
Table 5: Route Variance Log
Table 6: Potential Soil Hazards Summary Table
Table 7: Areas of Soils in the Project Area with High Susceptibility to Water Erosion
Table 8: Areas of Soils in the Project Area with High Susceptibility to Wind Erosion
Table 9: Areas with Potential Geologic Hazards
Table 10: Perennial Streams Crossed by the Project by River Basin
Table 13: Ecoregions Crossed by the Project
Table 14: Land Cover Types Traversed by the Project in South Dakota
Table 15: Horizontal Directional Drill Crossings of USFWS Grassland and Wetland Easements
Table 16: Noxious Weeds in South Dakota Counties Traversed by the Project
Table 18: Project ROW Impacts by Land Cover Type in South Dakota
Table 21: Turkey Management Areas and Hunting Success in Project Counties
Table 22: Abundance, Priority Habitats, and Harvest of Prairie Ground in Project Counties
Table 23: Project Waterfowl Production Area Crossings
Table 25: Other State Listed Species in the Project Area
Table 28: Wetlands Impacted by the Project
Table 29: Named Waterbodies Crossed by the Project
Table 30: Fish Stocked in Named Waterbodies Crossed by the Project
Table 31: Surface Waterbodies in Project Counties that are Infested by Aquatic Invasive Organisms
Table 32: Existing Land Use for the Project (Acres)
Table 33: Local Land Use Control Permits Anticipated for the Project
Table 34: Impairment Status of Streams with Assigned Beneficial Uses that are Crossed by the Project
Table 35: South Dakota County Labor Force Crossed by the Project
Table 36: Cultural Resources Recorded in the Environmental Survey Corridor
Table 37: Project Witnesses

Exhibit 1(b) – Updated Figures

Figure 1: Project Overview Map
Figure 2: South Dakota Project Overview Map
Figure 4: South Dakota Rural Water System Areas Crossed by Project
Figure 4-1: Route Alternatives – South Dakota
Figure 5: Populated Places Within 10 Miles of the Project – South Dakota

Exhibit 1(c) – Updated Appendices

Appendix 6A: Topo Map Book
Appendix 6B: Soil Map Units Map Book
Appendix 6C: Land Use / Land Cover Map Book
Appendix 7: Soils Table
Appendix 8: Waterbody and Wetland Crossings Tables
