**RE: In the Matter of the Application by SCS Carbon Transport, LLC for a Permit to Construct a Carbon Dioxide Pipeline**  
**PUC Docket: HP22-001**  
MAGT File: 0515

Dear Ms. Van Gerpen:

Attached for filing, please find a project overview map dated yesterday which demonstrates routing decisions made by the Project in response to input received from various sources. You will note the route changes are in Lincoln, Minnehaha, Lake, Miner, Beadle, Edmunds, and McPherson counties and are depicted in green on the attached map. The routes shown in dashed lines on the map are considered abandoned routes by the Project and focus of permitting will be on the green routes shown as incorporated alternatives.

We wanted to provide the SD PUC and stakeholders with this information sooner rather than later. Our SD PUC application and exhibits will be updated to reflect these changes in the near future.

Very truly yours,

MAY, ADAM, GERDES & THOMPSON LLP
