**RE: HP22-001**

Ms. Van Gerpen,

This letter is to inform interested persons of an error in Staff's Response to Applicant's Motion to Extend Deadline and Intervenor's Motion to Dismiss or Stay filed on June 1, 2022. In our response, Staff noted that the 156 landowners that failed to receive notice as described in SCS Carbon Transport LLC's letter on March 11, 2022, were provided notice on the thirtieth day after the Application was filed. Our math was in error. March 10 would have been the thirty-first day after the Application was filed. We apologize for the error. However, as the 156 landowners in question were sent notice and were given adequate time to participate in this proceeding, this does not change Staff's analysis or recommendation.

Sincerely,

Kristen N. Edwards  
Staff Attorney
