OF THE STATE OF SOUTH DAKOTA**

**IN THE MATTER OF THE  
APPLICATION BY SCS CARBON  
TRANSPORT, LLC FOR A PERMIT TO  
CONSTRUCT A CARBON DIOXIDE  
PIPELINE**

**HP22-001**

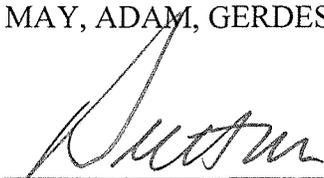

**MOTION FOR SCHEDULING ORDER**

COMES NOW, the Applicant, by and through its counsel of record, and moves the Commission for a Scheduling Order setting important dates through the conclusion of the docket. Applicant seeks a schedule setting deadline dates for the pre-filing of testimony and discovery, hearing, briefing, and other important dates.

Applicant considers an evidentiary hearing date in April 2023 to be in line and consistent with prior dockets and scheduling. The Iowa Utilities Board is thought to be currently considering scheduling hearings in that state on the same project, and such hearing would implicate the same witnesses, and perhaps the same counsel as well. Should the IUB schedule hearings prior to the consideration of this motion, Counsel will advise accordingly.

Dated this 4th day of November, 2022.
